

SOAP DISPENSERS GW04 07 04 02 Surface-mounted soap dispenser 1.200ml

Product description

AISI 304 Stainless steel material
Finish: Polished
Surface-mounted
Anti-drip valve
Plastic soap-refill window indicator
Capacity: 1.2 litres

Technical specifications:

The surface mounted soap dispenser with level viewer is totally manufactured in AISI 304 stainless steel material, polished finish. The total capacity is up to 1,2 liters of liquid soap. To refill the dispenser, insert the key into the hole located at the top lid of the dispenser and press until the lid is unlocked. The soap dispenser has an anti-drip valve. The push-button, is activated manually, by pressure. The dispenser is attached by fixing a steel back plate with the use of 3 screws to the wall and then fixing the soap dispenser to the back plate with a security screw. The measures of the product are 158x178x125 mm, and the net weight is 0.80 kg.. It may contain natural or synthetic soap. The soap dispenser is GW04 07 04 02 manufactured by GENWEC WASHROOM S.L. – Av. Joan Carles I, 46-48 08908 L'Hospitalet de Llobregat.
