Product description

AISI 304 stainless steel collective wall hung washbasin
1,2 mm thickness
Brushed finish
2 washbasins of 360 mm
100 mm backplash

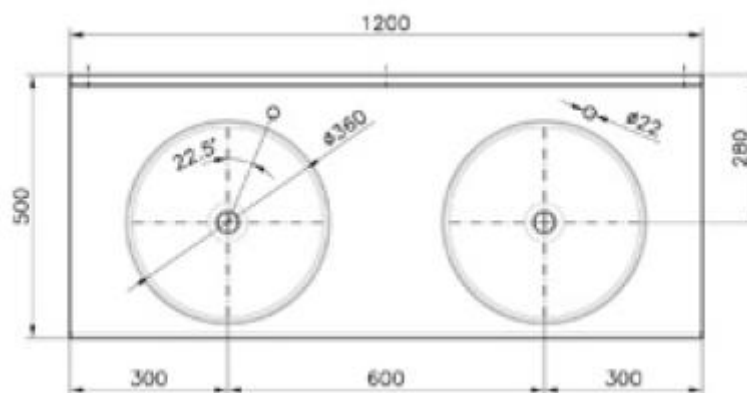

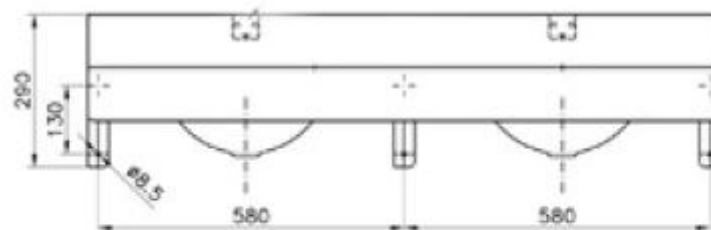

Technical specifications:

Collective washbasin without taps. The main body is made of AISI 304 stainless steel plate of 1,2 mm of thickness. There are two washbasins of 360 mm with drain and overflow. The assembly of the hung unit is done by setting to the wall with screws. The unit has a brushed finish that gives adequate resistance against the use. The total dimensions of the product are 290x1200x500mm. The reference of the product is GW08 28 04 01, manufactured by GENWEC WASHROOM S.L. - Av. Joan Carles I, 46-48 - c.p: 08908 L'Hospitalet de Llobregat - Barcelona. www.genwec.com.
