

Product description

Vandal proof stainless steel
Dimensions : 900x600 mm
Material : AISI 304 stainless steel
Polish finish

Technical specifications:

Vandal proof stainless steel mirror. The product consists of a main body made of satin stainless steel AISI 304. The front part is made entirely of 1.0mm stainless steel, with an extra polishing treatment that allows it to be used as a mirror. A 1.5mm rear structure is used to fix it to the wall. The mirror is fixed to the support by 4 security screws, two on the top and two on each side. The product is completely manufactured in stainless steel with no glass parts, which gives it adequate resistance to use. The product is anchored to a brick wall by means of two metal brackets supplied with the mirror. The overall dimensions of the product are 900 x 600 x 20 mm. The mirror model is GW08 71 04 02 manufactured by GENWEC WASHROOM, S.L. - Av. Joan Carles I, 46-48- ES 08908 L'Hospitalet de Llobregat, Barcelona. www.genwec.com
