

GW04 16 01 00SM

Desktop stand with auto gel dispenser 1100ml ABS

Dimensions: ±3%

TECHNICAL DATASHEET

COMPONENTS AND MATERIALS

- Main body - Made of steel with paint coating designed for high traffic black RAL 9005 paint. It consists a metal part and the automatic dispenser, two parts that must be fixed using included hardware.
- Fixing kit - Includes 4 M6x35mm screws and self-locking nuts.

For information about the dispenser, please consult the technical data sheet GW04 16 01 00.

OPERATION

Place the stand in a visible and accessible position to the public. Place your hand under the sensor for a dosage of 1ml. If the hands are not removed, the dispenser will stop after 10 dosages.

MOUNTING

Assemble the stand with the automatic dispenser using the included hardware. (see technical data sheet GW04 16 01 00).

ARCHITECTURAL SPECIFICATION

Genwec stand with automatic hand sanitizer gel dispenser GW04 16 01 00SM. The stand must be made of steel and with a special paint coating to resist the high traffic of people. The stand must be disassembled for maximum comfort in use and transport. The stand must include a drip tray for maximum hygiene. The design of this is intended for use with the disinfectant gel dispenser GW04 16 01 00 from GENWEC.

The product GW04 16 01 00SM has a 2-year warranty.

Using the stand with another dispenser invalidates the guarantee.

SPARE PARTS

Spare parts for the product GW04 16 01 00 are supplied. See its technical data sheet.
