

WASTEPAPER BINS GW06 02 04 01T1 Pedal bin 5L

Product description

Pedal bin with softclose lid
Plastic interior receptacle with handle
Material: Stainless Steel AISI 410
Fingerprint resistant finish
Capacity: 5 liters

Technical specifications:

Pedal operated, tip-open wastepaper bin 5 liters. The product consists of a main body, a lid and an interior receptacle. The main body, manufactured with AISI 410 stainless steel sheet, includes in its front part the pedal to swing the cover. The lid, manufactured with AISI 410 stainless steel, includes in its rear part a hinge which is activated with the front pedal making the lid swing and a softclose system. The interior receptacle, manufactured with black color thermoplastic ABS, includes a steel handle for its removal. The assembled unit has a fingerprint resistant finish that ensures adequate resistance to corrosion. The total dimensions of the product are 284 x Ø203 mm. The reference is GW06.02.04.01T1, manufactured by GENWEC WASHROOM, S.L. - Av. Joan Carles I, 46-48- 08908 L'Hospitalet de Llobregat, Barcelona (Spain). www.genwec.com.
