

Product description

Shower folding compact seat white

Seat material: Polyamide & UF

Cover material: ABS chromed

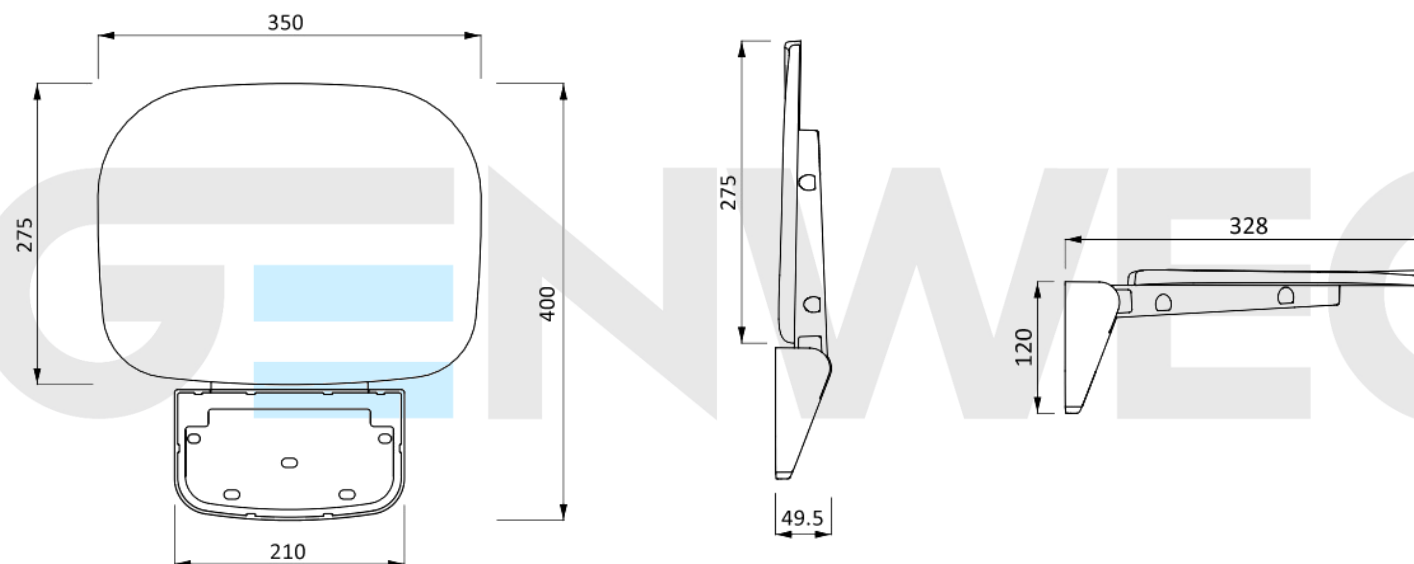

Technical specifications:

The folding shower compact seat is manufactured in Polyamide 66 & UF. Rotates 90° with respect to the wall bracket to allow the seat to be placed in an upright position. The assembled unit has a white epoxy finish and its materials assure a correct maintenance and cleaning. The shower seat is fixed to the wall with 5 screws 7 x 67 mm and 5 nylon wall plugs 10x50 mm to support static loads of 120 kg. The total measures of the product are 350 x 328 x 120 mm. The shower seat code is GW11 28 01 00, manufactured by GENWEC WASHROOM S.L. - Av. Joan Carles I, 46-48 - ES 08908 L'Hospitalet de Llobregat - Barcelona (Spain). www.genwec.com
